300	Dec 15, 2014 2:40 AM	The whole process was really simple and delivered so quickly I didn't have to worry. Thanks I was a little taken aback with the quality of the strip. Not to say it was badly made, however the thickness of the stubby
301	Dec 15, 2014 2:39 AM	material could be thicker I think. I know my husband has quite a few stubbie holders and prefers the thick material ones.

308	Dec 15, 2014 2:21 AM	SPEED OF DELIVERY WAS EXCEPTONAL. ORDERED ONLINE SUNDAY NIGHT HAD ORDER BY TUESDAY . I was a little surprised on opening the stubby strip that it didn't contain multiple individual stubby holders velco-ed to the strip
309	Dec 15, 2014 2:20 AM	but rather one individual stubby holder with the others sewn into the strip. Not a major issue but it wasn't clear from the advertising that this was the case (maybe I didn't watch the ad too closely either). Delivery was fast and in time for Christmas though so hopefully the recipients will like the stubby strips as much as I hope they will. Thanks for the prompt delivery.
310	Dec 15, 2014 2:20 AM	Don't believe in surveys you are lucky, will certainly complain if there is a problem. All the best - Jim found the web page a little difficult for making online payment, but customer service excellent in rectifying problem. Thanks

360 Dec 15, 2014 12:28 AM from the advertising, we thought that the stubby strip was able to be pulled completely apart - not just one of the stubby holders. This is not a negative, we just found the advertising to be ambiguous.

407 Dec 14, 2014 11:07 PM I bought the four original packs and one of the dearer one as I was after the colour of pink. I was disappointed that my husband
tried to put a can into the original one and the stitching at the top started to go. It was very hard to insert the can. The dearer
one is reinforced with binding so it shouldn't rip. Positive, your delivery time was excellent.

This is a great product which will be used a lot as we have a holiday house near the beach and also when we go fishing, thanks for coming up with a great idea,product []

574 Dec 14, 2014 1:34 PM help with a new product and maybe allow people to carry more drink on their adventures. thankyou peter.

578 Dec 14, 2014 1:06 PM More colours would be great but other than that the site and service are very good

579 Dec 14, 2014 1:05 PM Great thank you.

580 Dec 14, 2014 1:05 PM I bought 4 stubby strips and 2 vino strips as Christmas pressies for my adult children. I know my boys will use them for beers but the girls will use for either water or cider. When I saw the ad on YouTube I immediately thought that the strips would make perfect gifts because my kids have basically everything they need and the strips are unique enough to be novel but practical at the same time. The whole online process was fast and easy. I received the whole package within a week - much earlier than I had anticipated given that I live in Perth and it usually takes ages for items to be delivered. Thanks for making my Christmas shopping such an easy and pleasurable experience.

606 Dec 14, 2014 11:31 AM I bought a few original and a few premium stubby strips as gifts-was difficult to tell the difference aside from bottle size online. I like the tag and bag that came with the premium stubby strips and think the original stubby strips should have come with tags or pics/diagrams of what to do with the stubby strip

607 Dec 14, 2014 11:30 AM Nice product, however anything longer than 375 ml can, such as 355/375 ml stubbie remains unprotected / uninsulated. Stubbie holder pockets could be deeper, or the same shape as a glass stubbie for complete protection & insulation.

608 Dec 14, 2014 11:27 AM I really like the look of the product but it is a xmas gift so I am unsure of its use & quality yet! Although so far, it all looks great.

609 Dec 14, 2014 11:27 AM Very impressed with the product and how quickly I received my order.

610 Dec 14, 2014 11:26 AM Thanks for making it easier to get several Christmas presents out of the way.

611 Dec 14, 2014 11:25 AM Excellent and fast delivery

612 Dec 14, 2014 11:23 AM Just want to say placed this order after my brother i law saw my husbands stubby strip, he then wanted one so I ordered another and had the product within 2 days .well done team

		I received my first order ok, but disappointed with Aust post with second order as the parcel was cut open and the item feel out as my son picked it up. The item had also been taken out of the plastic wrap. Luckily it wasn't damaged. I tried to ring Aust post but after waiting for over half an hour had to hang up. Not your companies fault but thought you should know.

1254	Dec 14, 2014 2:33 AM	Great price and service Hi Stubbystrip,[] Great idea but we have used the stubbystrip on a few occasions now 30 degree days, using an iceblock in the middle but always the neck of the bottles were always warm. We tried putting the stubbystrip in the freezer first, then the bottles and over the half an hour of being outside the necks always went warm.[] sorry but you have not won us on this product.[] Necks of the beers go warm quite quickly and the beer ends up warm and not nice.[] Great idea but if you could design something that includes the neck of the bottle this would be a winner.[]
1255	Dec 14, 2014 2:33 AM	Cheers and goodluck! Couldn't believe how quickly we received the package .. was great. We bought 5 one for each of us and three for gifts, can't

1259	Dec 14, 2014 2:31 AM	reactions from the gift recipients at Christmas time.

1260	Dec 14, 2014 2:31 AM	I think the product is so Aussie but my only problem with the product is the massive logo on it. It makes the product ugly and I was unable to put the name of the person I'm giving it to.
1261	Dec 14, 2014 2:30 AM	Appreciate the fast delivery. Thankyou
1262	Dec 14, 2014 2:29 AM	Excellent service, very reliable.
1263	Dec 14, 2014 2:29 AM	Excellent speedy service
1264	Dec 14, 2014 2:29 AM	I think postage brings the price up and I know that is Australia Post not you. Would like to be able to buy locally and so save postage (Could maybe afford to buy 2 then) The quick delivery was excellent and the product ordered was exactly what was shown on your website. Very efficient service.

I bought the StubbyStrip as an early Xmas gift for one of my kids in Christchurch, NZ! They thought it was a FABULOUS idea!! When they first opened the gift, they wondered what it was....A tool-belt perhaps?? On the card I had included the website to show them all they different ways it could be used. Perhaps you could include some sort of leaflet with the package? Other than that, it's a great, practical yet fun gift - and well worth the money :D

- Website easy to use. Delivery very fast - just two days. Packaged well. A few more colours in the delux range would be good (this isn't just a gift for men) and more detailed pictures for each colour option would be good (found I was opening up colours I wasn't interested in so I could see the different examples of use) Overall LOVE the product and have already recommended it to friends

- 1378 Dec 14, 2014 1:50 AM The only feed back I have is every thing went smoothly no problems awesome job thank you.
Although I selected slightly overpriced that is mostly based on the cost of putting one together - I also understand it costs money to market them and ultimately I bought 2 so while they are definitely not cheap I think I will be more than satisfied with the purchase after a couple of uses.
